

PRICELESS
MAGIC IS IN THE AIR

Guidelines

GUIDELINES

CONSENT! Maximum enjoyment of all starts with enthusiastic consent! Before sharing snacks, hugs, or a sleeping bag: ASK. If someone is unable to understand what they are being asked or unable to say what they want, then they can not consent to sharing anything.

LNT! Priceless is a leave-no-trace event, so please remember to: (1) Bring your trash to the dumpster. We have limited trash bins and they fill up quickly; use them sparingly. (2) Separate your trash, recycling, and compost. (3) Do a moop sweep of your campsite after packing up.

SWIMMING! There are no lifeguards on duty. Official pool limit is 25 people. Due to high waters, DO NOT swim in the river this year. This is a pool party, not a river party.

SNEKS! In the event of a rattlesnake encounter, clear the area as safely as possible. Once safely outside the area, please immediately find someone with a radio to call our herpetologist to handle the nope rope.

HELP! It's dangerous to go alone. If you need help, go to MARS Medical, go to security at door, or find a planner with a radio.

EVAC! If you hear a PA and air horns indicating an evacuation, grab your keys, your ID, and life-saving meds and go to the parking lot. Do not attempt to grab any of your gear. Follow all instructions from venue staff. Follow directions to get back to the main road.

FIRE! It's fire season. No fires of any kind are permitted. No personal stoves allowed; utilize the meal plan! Additionally, there is a "Citizen Kitchen" near Convergence with a few stoves and tables to expand your options. Lastly, smoke on the road only and dispose of waste safely.

ABSOLUTELY NO FIREWORKS, CAMPFIRES, GENERATORS, CANDLES, OR FIRESPINNING.

Sssh, don't tell – we're having an **UNDERGROUND** party at Priceless this year!

Get ready to get down & dirty at the Dirt Stage with us and 750 of your favorite subterranean friends. You might worm your way into fascinating conversations, seed cool new ideas, and discover some hidden gems.

And if you know the right people, you might even get invited to a super-secret underground party within the party – PwPwP, if you will. Can you dig it?
