

THE OFFICIAL PRICELESS GUIDE TO MAXIMUM ENJOYMENT

Respect your environment. Belden is hosting our festival. To ensure maximum enjoyment this year, please treat every part of this wonderful place with respect. Clean up after yourself, and don't set anything on fire... we like having nice things. And please be courteous to the custodians: Belden staff, Priceless staff, High Rock, etc.

Respect yourself. Wear sunscreen. Drink water! Take breaks in the shade. Eat when you are hungry and rest when you need a nap. Don't float down the river without telling anyone and get stuck in berry brambles. Be mindful of what you put in your body and be mindful of how it may affect you.

Respect others. Be considerate of others. Everyone's here to have fun. Be nice. Don't take other people's stuff. If someone looks like they need a buddy, please alert Priceless staff, security, the closest adult ... anyone. Consent. For maximum enjoyment of all guests, ask for consent when participating in any adult activities. (Or any activities for that matter!) Before sharing snacks, hugs, or a sleeping bag — please ask. If someone is unable to say what they want, then they can not consent to sharing anything.

Leave no trace. Priceless is a leave-no-trace event, so please remember to: (1) Bring your trash to the dumpster. We have limited trash bins and they fill up quickly; use them sparingly. (2) Separate your bottles and cans for recycling. (3) Do a moop (Matter Out of Place) sweep of your campsite after packing up.

Swimming. The Feather River can safely be accessed from the Beach Stage. No nudity. No diving or jumping off the bridge. Don't go down the rapids. No lifeguard on duty.

Potable Water on site. The lone spigot is located next to the information board near the Lodge. Showers are in a building in the upper parking lot. Purchase tokens at the Belden store.

SNEKS! In the event of a rattlesnake encounter, clear the area as safely as possible. Once safely outside the area, please immediately find someone with a radio to call our herpetologist to handle the nope rope.

Fire Danger is high. No campfires, no candles, no fireworks, no firespinning, no smoking except on the roads, and no campstoves UNLESS you have acquired a free permit from USFS (see Food for details).

Evacuation. If you hear a PA and air horns indicating an evacuation, grab your keys, your ID, and life-saving meds and go to the parking lot. Do not attempt to grab any of your gear. Follow all instructions from venue staff. Follow directions to get back to the main road.

If you or someone you know needs assistance, you can approach our community-friendly medical or security staff. Or, just let our team at the door know what you need.

The medical tent is located just across the street from the door table. Security is stationed at the Door, and a team will be roving.

FOOD

For those who purchased a meal plan, Convergence will once again be there to provide you with the tasty and ample meals that got such rave reviews over many past years! They prepare omnivore, vegetarian, vegan, and gluten-free options for every meal.

Meal Plan

Thursday night a la carte dinner - cash only

Friday Brunch 10:00am – 1:00pm

Friday Dinner 6:00pm – 9:00pm

Saturday Brunch 10:00am – 1:00pm

Saturday Dinner 6:00pm – 9:00pm

Sunday Breakfast 9:00am – 11:00am

*Meal times subject to change

If you arrive hungry on Thursday night, you can purchase an a la carte meal from Convergence (bring \$20 cash!). The Belden Town Restaurant will occasionally be open for meals, but do not have the capacity to be anybody's main source of food. If they look open, check with the server to see if they're still taking orders before sitting down, and expect long waits. They are excited to take your drink orders at the bar when they're open!

You may use a camp stove at your campsite IF you first get a fire permit from the USFS. Permits are free and can be acquired on their website, or at the door of the event.

Campfires are NOT allowed at Belden. Only camp stoves.

SHAKE IT!

This year, for our Party Within a Party, we shake it til' we make it.

The past is history and the future is a mystery. We're here in this moment throwing this party because sometimes the only thing we're really sure of is the fact that parties are real. So come to a party with fringe benefits, and shake it like the present is the only moment that ever truly exists.

If you're ready to wiggle it (just a little bit), you are invited to become kinetic art. Come out to the Dirt Stage from 7-9pm on Saturday prepared to shake what your mama gave ya. Cover yourself in fringe, tassels, and sequins. If it flutters when you twirl, it's a yes. Adorn yourself with everything that jiggles, because we're just gonna shake, shake, shake, shake, shake, yeah, shake it off.

We'll have beats from some of your favorites, guaranteed to help you jiggle, swish, and wobble. Be prepared to continue dancing into the rest of the evening's Dirt Stage lineup.

Costume tip: we love your drip, but don't let it drip on the floor. Give your outfit a little test-shake before leaving the house to make sure the shaky bits won't turn into moopy bits.
